
50th Reunion Book - Bios

Last revised June 9, 2014, 1/19/22 minor changes

181 Bios are up.

The printed version of the Reunion Book and companion CD was distributed to attendees at our 50th reunion and was mailed to those who paid class dues, but do not attend the reunion. The book and CD include content in addition to biographies presented here.

This page lists all our living classmates in 2014. **If you are Logged in**, clicking on names in red will take you to their individual bio page. For more information about when and how bio and photos were submitted please click [HERE](#).

For help with this page please contact Bob Popadic, RPopadic@LCGLLC.biz.

More information can be had on some of the individuals by 1) searching their name in the Class Notes, 2) using the search box on the Home Page, or 3) going to the Freshman Picture Book, 25th Reunion Book, 40th Reunion Book, and Deceased Classmates pages.
